Ranchi, 09.09.2026

Dear Students and Teachers of
Tagore Gymnasium, Marzahn!

Greetings from YMCA Ranchi, India!

On behalf of YMCA Ranchi, I would like to express our heartfelt gratitude to all the students and Teachers of **Tagore Gymnasium, Marzahn,** for your generous support and contribution of sports equipment for the youth in our slum communities.

Our youth in the slum centres have long wished for extracurricular activities after school hours, but without games and sports equipment, it wasn't possible. It is also very difficult for people in our community to afford such high-quality equipment, which is why your contribution is so meaningful to them. With your help, we were finally able to make this happen, creating a cheerful environment in the community. Through sports and games, we are hopeful that the children will have a very positive impact on their well-being. When the new equipment arrived, our students were so excited and happy that they did not even want to stop for a long time.

Your kindness has made a significant difference in their lives, and we sincerely appreciate your support. We would be very happy to stay in contact with you and give you regular updates about our youth in the future.

Thank you once again, and we wish you a great start to the new school year!

With Regards,

Sheetal Kerketta
Project Coordinator
YMCA Ranchi
